An **Evacuation Alert** has been issued to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible prior to evacuation; however, you may receive limited notice due to changing conditions.

#### WHAT YOU SHOULD DO:

- Locate all family members and designate a meeting area outside the evacuation area, should an Evacuation Order be called while separated.
- Pack essential items such as government-issued ID, medications, eyeglasses, valuable papers (e.g. insurance, credit, and mortgage information), immediate care needs for dependents and, if time and space permits, keepsakes for quick departure.
- Prepare to move disabled persons, children and/or neighbours, if assistance is needed.
- Prepare to take pets with you and move livestock to a safe area (if possible).
- Arrange transportation for all your household members. Fill the gas tanks of personal vehicles.
- Arrange accommodation for all members of the residence, if possible. In the event of an evacuation, Reception Centres will be opened if required.
- Wait for an Evacuation Order to be issued before evacuating. Monitor news sources for information on evacuation orders and location of Reception Centres.
