

**Information for Parents/Guardians of those children under First Nations and Inuit Health who require ORTHODONTIST SERVICES (BRACES):**

- Recent court rulings and Jordan's Principle have made **COVERAGE POSSIBLE** for nearly **EVERY** eligible child less than 19 years of age. We are unsure of how long these programs will last and we want to give this opportunity to as many as possible
- We **DIRECT BILL** FNIHB and Jordan's Principle, meaning there is **no cost** to the patient
- **NO REFERRAL** from your General Dentist is necessary
- Dr. Strasdin is a member of the Saulteau First Nations
- Our office will assist in completing **ALL paperwork** on your behalf
- We will do our best to obtain coverage for your child through First Nations and Inuit Health or Jordan's Principle
