INTERNAL/EXTERNAL POSTING

Job Title:	Health Care Worker	Posting #:	30-2023
Department:	Health & Community Services	Grade:	3
Location:	On Reserve	FTE:	1.0
Supervisor:	Community Health Nurse – Home Care Nursing Support Supervisor (RN)	Hourly Rate:	\$25.15-\$26.60
Key Duties:	In home personal care, assisting clients, chaperone, transportation, social support	First Posted:	2023-06-20
Effective Date:	Immediate, full time permanent	Closes:	When Filled.

Job Scope

The primary responsibilities of a Health Care Worker are to provide individualized basic health care services to patients/clients, including Elders and persons with functional limitations (i.e.: due to age, health, disability), or persons recuperating, to assist individuals with maximizing their level of functioning and independence so that they may continue to live in their homes. Working under the guidance and direction of the RN the work of this job includes the provision of individualized care and resources to clients by assisting them with activities of daily living (ADLs) ensuring safety, hygiene, and comfort. Health care is typically provided within the client's residence and, as needed, this worker also provides escort duty services and transports clients between their residence and care facilities, providing appointment assistance. This employee works cooperatively with the client and his/her representatives, including delegated family members, and may also work with other service providers assigned to the client. A key element of success for this work is the development of knowledge and methods for the personal care needs of individual clients and establishing and maintaining client relationships with respect and compassion. Other important factors include the development of an awareness and knowledge of reference persons and materials to assist in addressing problems, challenges and issues; references also include written policies, procedures and guidelines, as well as schedules, day logs and check lists, and equipment manuals and reference handbooks, and WHMIS manual and data sheets. Other related duties as required.

Candidate Profile

The Health Care Worker has a good level of energy and physical fitness to perform the work, and has good interpersonal skills including good listening skills to gather information and to ask questions in order to carry out assigned tasks and to provide routine information to other employees. The Health Care Worker has good written and verbal communication skills and communicates with the supervisor (RN), Home Support Workers, and other employees to obtain information, supplies, tools, equipment and/or advice or helps to solve problems or issues, and may occasionally have contact with occupational health and safety committee members and the general public.

Preferred Qualifications

- Nothing prohibits you from working with any member of the community.
- Mature individual with a minimum grade 12 high school diploma; supplemented by completion of Certified Home Support or Resident Care Aide Certificate, or equivalent health related experience and vocational certificates.
